### SOME KENTUCKY JUSTICE.

A Remarkable Statement From Youtsey's Attorneys.

### "DELIVERANCE WILL SURELY COME!"

Louisville Evening Post.

Henry Youtsey, who had persistently refused to purchase immunity by telling enough to hang Taylor and damn the Republican party, was, by Judge Cantrill, sentenced to the Penitentiary for Residence life. No appeal was taken but the attorneys of Mr. Youtsey made the following statement:

"One hundred and twenty-five Jurors have thus far been summoned to try Henry Youtsey. Of these 124 were Goe-bel Democrats. The trial Jury consisted of twelve Goebel Democrats. Our most earnest efforts and protests were powerless to obtain a less partial Jury. Under the conditions which pre-vail we cherish no hope of ever secur-"The public has obtained an inkling

of how perjury was procured and used in these trials without the knowledge of the Judge or Commonwealth's Attorney. New perjuries can and we are convinced will be found and thus used in future trials. The immense reward fund attracts perjurers and suborners of perjury as the flame attracts the moth. "Our client was unable to realize these conditions and retain his strength or reason and we have no hope that he could do so upon another such trial. We entertain no doubt that we could secure a reversal of the verdict. His helpiess condition during the trial would alone suffice. But the evils he is the victim of, and which we are powerless against, cannot be remedied by appeal. They remain, ever present, under such conditions, to thwart justice and convict the innocent, despite re-versals and correct rulings by the

Here is a terrible indictment of the system of justice we have been familiar with in Kentucky. It is not the unmeasured words of excitable men in the midst of a fierce trial; these are the Residence. careful words of careful men, written after a full review of the whole case; written in review of the case.

Take this sentence, "One hundred and twenty-five Jurors have been summoned to try Henry Youtsey. Of these 121 were Goebel Democrats."

It is true that no mere reversal of ecroneous rulings will change the conatitions which have overthrown in Kensucky the trial by Juries impartially selected. We must wait on time and that which shapes it to some perfect end. But we should work as well as wait.

### THE TOBACCO FAIR.

All Roads Will Lead to Maysville on Washington's Birthday.

The Tobacco Fair has developed an interest quite beyond the expectations

of its promoters. Prominent men in Obio and Kentucky are aroused to its importance.

First, those who cultivate the weed know what such an exhibition means to them. It is a chance to show what they have and thereby a tacit invitation is issued to the purchaser to come and

Then there is the warehouseman or middleman, who is directly benefited in two ways-he comes immediately into contact with the growers from a wide spreading territory, has an opportunity to view the crops without consuming much time, meets personally the raisers and stands so close as to drive a bargain without much trouble.

Then last in the trinity of virtues which the Tobacco Fair possesses is the enticing of the manufacturer, who knows his interest well enough to be found where the growers congregate. Then, too, these purchasers of the weed know that such a show will give them an opportunity to make purchases fully compensating them for the coming, and as the promoters of this Fair have only the weal of the raisers at heart they realize Thomas Wise and Earl Bramel spent that by inducing the showing of samlast Sunday very pleasantly with their ples strength is given to the market by increasing the facilities for marketing Mr. William Quaintance of Fleming this most important product of Ohio and

Use Cuticura Soap Assisted by Cuticura Ointment, the great skin cure, for preserving, purifying, and beautifying the skin, for cleansing the scalp of crusts, scales, and dandruff, and the stopping of falling hair, for softening, whitening, and

healing red, rough, and sore hands, for baby rashes, itchings, and chafings,

tions, or too free or offensive perspiration, in the form of washes for ulcerative weaknesses, and for many sanative antiseptic purposes which readily suggest themselves to women, especially mothers, and for all the purposes of the toilet, bath, and nursery. No amount of persuasion can induce those who have once used these great skin purifiers and beautifiers to use any others, especially for preserving and purifying the skin, scalp, and hair of infants and children. CUTICURA SOAP combines delicate emollient properties derived from CUTICURA, the great skin cure, with the purest of cleansing ingredients and the most refreshing of flower odors. No other medicated soap is to be compared with

it for preserving, purifying, and beautifying the skin, scalp, hair, and hands. No other foreign or domestic toilet soap, however expensive, is to be compared with it for all the purposes of the toilet, bath, and nursery. Thus it combines in One SOAP at One PRICE, viz., TWENTY-FIVE CENTS, the BEST skin and complexion soap, the BEST toilet and baby soap in the world.
